**ImPACT Applications and Shift Concussion Management, Inc. are proud to sponsor an upcoming one-day ImPACT Training Workshop for healthcare professionals in Toronto, Canada. Shift Concussion Management was recently named an "ImPACT Center of Excellence," which designates the location as a center for education on the diagnosis and management of concussions in the province. If you cannot make it to the event, you can still view the workshop through a [Live Webcast](#).**

This informative training event will cover key elements of concussion management, including:

- Administration and Interpretation of ImPACT
- Starting up a Concussion Clinic in Canada: Best Practices & Helpful Hints
- Clinical Model for Concussion Management:
  - Clinical Interview
  - Vestibular Screening
  - Neurocognitive Testing
- Measuring Neurocognitive Recovery from Sports Concussion
- Binocular Vision Dysfunction and its Relationship to Concussion and Learning Disabilities
- Presentation of Cases Studies
- Learning more about how the Center of Excellence works and how your clinic can get involved.

### Speakers

**Micky Collins, Ph.D.**, one of the co-founders of the ImPACT Test is the featured speaker for the event. Additional speakers include Scott Haller, DO MTP and Patrick Quaid, OD, FCOVD, Ph.D.

### Benefits

Attendees will receive a 200-page workbook and earn a certificate of completion for 7.75 hours of instruction. ImPACT is approved as a CE provider by the Board of Certification and CATA Education Committee for Athletic Therapists. This program has been approved for a maximum of 3 hours of Category A continuing education.

### Live Webcast

For those of you unable to attend the workshop in person, you can sign up to attend a Live Webcast of the event. Long-distance participants will receive a PDF version of the workbook and earn the same certificates of completion.
